**ORDER**

This 23<sup>rd</sup> day of March 2012, it appears to the Court that:

(1) The appellant, Edith Martin, has petitioned this Court, pursuant to Supreme Court Rule 42, to accept an appeal from the interlocutory order of the Superior Court dated February 21, 2012, which reversed and remanded the appellant's worker's compensation case to the Industrial Accident Board.

(2) The appellant filed her application for certification to take an interlocutory appeal in the Superior Court on March 2, 2012. On March 16, 2012, the Superior Court issued an order denying the application for

certification on the ground that the requirements of Supreme Court Rule 42 had not been met.

(3) Applications for interlocutory review are addressed to the sound discretion of this Court. In the exercise of its discretion, the Court has concluded that the appellant's petition for interlocutory review fails to meet the requirements of Rule 42 and, therefore, must be refused.

NOW, THEREFORE, IT IS ORDERED that the interlocutory appeal is REFUSED.

BY THE COURT:
